In October it was determined that during the November meeting, the NASC would identify initiatives that will be supported by the IBHC funds.

During the August 27, 2010 NASC meeting, the following recommendations were given in regard to initiatives that could be funded through the IBHC funds:

- Reimbursement would be for families and consumers regarding hotel reimbursement, stipends, and travel;
- Use of funds for outreach;
- Extend the length of the NASC meetings and pay for lunch;
- Fund a summit;
- Provide funds to LCs;
- Use for suicide prevention planning and strategy development;
- Have a portion of the funds made available for NASC participants to go to the Roundhouse during the Legislative Session; and
- Use the funds for advocacy.

During the October 22, 2010 NASC meeting, the following recommendations were given in regard to initiatives that could be funded through the IBHC funds:

- Provide funds to support the Wellness Conference (April 5-8, 2011);
- Fund the Behavioral Health Region VI Summit;
- Provide bus passes/vouchers to individuals to participate in LC14 meetings (Rain Cloud); and
- Support individuals to participate in Native American behavioral health conferences.
