2008 Collaborative Concept Paper

- Reframe and update 2004 concept paper
- Review past three years
- Reinforce role of Statewide Entity (SE)
- Assess performance

- Consider current successes and future opportunities for improvement
- Draft top priorities for the upcoming Request for Proposals (RFP)
Where We Started

- Vision and values
- Interagency Behavioral Health Purchasing Collaborative (Collaborative)
- Cross-Agency Teams (CAT)
- Behavioral Health Planning Council (BHPC)
- Local Collaboratives (LC)
Service Development & Enhancement

- Consumer and family services
- Housing
- Substance abuse services
- Community-based services for children, youth, and adults
- Primary care – behavioral health interface
- Disaster preparedness
Performance Assessment

- Phase One – July 1, 2005 to June 30, 2006
- Phase Two – July 1, 2006 to June 30, 2008
- Phase Three – July 1, 2008 to ?
Successes

- Statewide Comprehensive Behavioral Health Plan
- Pilot projects
- Initiatives to expand and enhance service capacity
- Consortium for Behavioral Health Training & Research (CBHTR)
Challenges & Opportunities

- Creation of uniform data system
- Progress of LCs, particularly in rural & frontier areas
- Statewide implementation of pilot projects
- CBHTR infrastructure development
- Enhancement of provider networks
- SE or Collaborative: Who does what?
Challenges & Opportunities

- Improved cross-system communication
- Aligning Collaborative vision with NM service provision reality
- Benefits that match eligibility & need, not who is paying the bill
- Cultural competency
Priorities for the RFP

- Data infrastructure development
- Local Collaboratives
- Funding to sustain & expand current successes
- Performance indicators & outcome measures
- Increase consumer/family voice in system development, evaluation, oversight
- Build & implement statewide systems of care

What do you think?
At this meeting and beyond . . .

- We encourage you to give us feedback about:
  - what the Collaborative has done well;
  - what we could do better; and
  - what areas should be the focus of our next phase.
Public Review & Comment

- The FY09 Draft Concept Paper is available on the Internet at [www.bhc.state.nm.us/comment.html](http://www.bhc.state.nm.us/comment.html)

- If you have problems or don’t have access to the Internet, please call (800) 362-2013, and a hard copy will be sent to you.
